Subject: Intent to Conduct Preliminary Review for Repositioning of HMK Energy Pte Ltd

Dear Ms. Chua,

This letter serves to confirm my interest in evaluating the potential use and repositioning of HMK Energy Pte Ltd (the "Company") for my group's upcoming international initiative under Kumi Ori AG based in Switzerland.

Before proceeding with any share transfer or formal restructuring, I intend to conduct a preliminary review and basic due diligence on the Company's legal, financial, and operational status. This includes, but is not limited to:

1. Corporate records (ACRA profile, shareholding documents, resolutions)
2. Financial overview (latest unaudited financials, outstanding liabilities)
3. Legal standing (any pending litigation, regulatory issues)
4. Tax compliance status

Please note, this review is non-binding and intended solely to determine whether the Company is suitable for repurposing under my initiative.

In the event that any liabilities, undisclosed obligations, or compliance issues are identified during the review or following share transfer, it is understood that:

- Such liabilities will remain the responsibility of the previous owner or its affiliates, and
- A formal indemnity clause will be inserted into any share purchase or restructuring agreement to reflect this.

No fees or commitments are implied or expected at this stage. Should the outcome of this review be satisfactory, I will submit a formal Letter of Intent or restructuring proposal for your consideration.

Thank you for your cooperation.

Sincerely,

Lily Boeschlin
